Have you been locked out of your account? Need to reset your password? Simply go to <https://passwordreset.microsoftonline.com> or <https://aka.ms/sspr> to unlock, change/reset your password.

Step 3: click Next

For Multi Factor Authentication Click on I want to set up a different method [Don't click on Next]. Then select Phone method and click on confirm [Don't select Authenticator App]

Select **Country code** and enter your **mobile number** to receive OTP to authenticate login, then click Next

Keep your account secure

Your organization requires you to set up the following methods of proving who you are.

Phone

You can prove who you are by answering a call on your phone or texting a code to your phone.

What phone number would you like to use?

India (+91) 9745627869

☒ Text me a code

☐ Call me

Message and data rates may apply. Choosing Next means that you agree to the [Terms of service](#) and [Privacy and cookies statement](#).

Next

[I want to set up a different method](#)

Enter a 6 digit code which you received in your mobile and click on Next

Phone

We just sent a 6 digit code to +91 9745627869. Enter the code below.

970336

[Resend code](#)

Back

Next

[I want to set up a different method](#)

You will get the below window and then click on **Next**

Phone

✓ SMS verified. Your phone was registered successfully.

Next

Click on **Done**

Success!

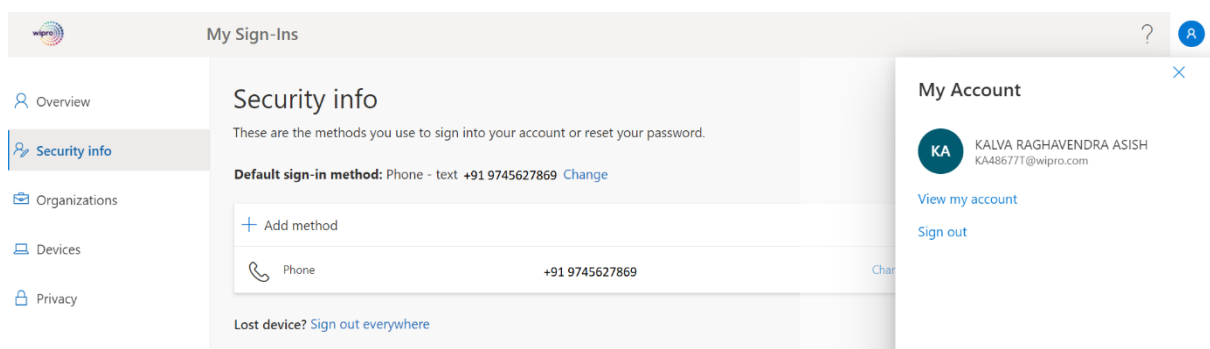

Great job! You have successfully set up your security info. Choose "Done" to continue signing in.

Default sign-in method:

Phone
+91 9745627869

Done

You will get below window.

Then you can use your new credential to access wipro remote lab through Citrix Workspace.

Steps to change password if Required– [Frequent password reset not recommended]

Get back into your account
